# WHO WE ARE

## INTRODUCTION

We daily read and hear soul seizing news like theft, robbery, kidnap for ransom, subversion and murder; and observe that with passage of time such events are on continuous increase. The common citizen feels himself unprotected; particularly business community is affected badly. The police department, in spite of utmost effort, has not been able to achieve considerable success to prevent these events due to shortage of resources. In these circumstances, every sensible citizen seriously thinks about security of his life and assets; and ultimately tries to contact any security agency. Only Skyways Force is such an organization that provides you assured protection for your life, luggage and wealth. Skyway Force is a diversified provider of security services to Government Agencies, industrial and commercial organizations. The company's core security business includes physical protection, information security, cash transit and automation systems for security and control.
